

Skin Rejuvenation

Photo Light Rejuvenation \$50

Improve skin tone, diminish pore size, and enjoy more even pigmentation. Our LED Photo Rejuvenation Treatment uses gentle, narrow spectrum light to boost collagen, which creates plumper, younger-looking skin.

Micron Current Non-Surgical Face Lift \$99

This procedure utilizes mild electrical impulses to firm, lift, and tighten the muscles. The signs of aging are dramatically reduced, while tone and elasticity are greatly improved.

Microdermabrasion \$75

Refresh & renew your skin with this non-invasive skin resurfacing treatment that gives skin a fresh, healthy glow while it stimulates the production of new skin cells and collagen.

Hand Treatments – Each of the above treatments can be used on the hands for immediate relief from discomfort and improved tone and appearance.

Pre-Paid Series and Package Prices are available for all of the above services

Facials

Express Cleansing Facial \$50

The perfect facial for those on the run who know how important professional skincare is to their well-being. The face is cleansed, toned and impurities extracted where necessary. A mask tailored to your skin's needs is applied.

Traditional Therapeutic Facial \$65

This lovely indulgence will leave your skin feeling totally pampered. Enjoy a thorough cleansing, gentle exfoliation, a pampering massage together with a luxury mask and moisturizer to complete your treatment.

Four Layer Facial \$95

Layer upon layer of fresh, European Seaweed helps to rejuvenate, tone and firm the skin. Two facial massages soothe and relax the whole body while a rich thermal mask allows for complete penetration of all mask layers.

The Ultimate Facial \$85

The Synergie Peel is the ultimate in facial skin conditioning. Microdermabrasion is combined with facial vacuum massage and a traditional facial, resulting in unmatched rejuvenation. A series of treatments is recommended for best results.
